**It's been said that kids don't come with an instruction manual
Maybe the manual does exist**

If you have kids or are considering having them this is a must see teaching series exploring what God's Word says about parenting. That's right...God gives guidance on raising great kids! From parenting priorities to discipline, God lays out the parenting plan for us in the Bible, and we are going to cover it all. So parents, don't miss a single Sunday of this quadruple feature!
